Barn Conversion - Morwenstow

Contract Value:
£150,000.00

Atelier 3 Ltd have provided their client with Architectural services and a SAP Assessment to obtain full residential planning consent. The conversion is within an Area of Outstanding Natural Beauty.

The conversion boasts high levels of insulation, solar panels, and an efficient wood burning stove to deliver a highly sustainable traditional home.

The scheme has recently gained full residential planning consent and construction is due to commence during the summer 2008.
